## **Launch Consulting Acquires One of Washington’s Fastest-Growing Businesses Averro to Join Launch Consulting Group**

BELLEVUE, WA – Launch Consulting has announced the acquisition of Averro, a Bellevue-based technical services company and one of the region’s fastest growing businesses. The acquisition will greatly expand Launch’s technical staffing and consulting capabilities.

In 2013, Averro was named in the fastest growing lists by local business publications and was included in Inc.’s 5000 Fastest Growing Companies list.

With the addition of Averro, Launch continues to grow its service portfolio and expertise in business strategy, business intelligence & analytics, customer experience, software development, managed services and talent services. Averro brings additional expertise in project management, business analysis and user experience (UI/UX) designers.

“It’s with great pride that we welcome Averro to the Launch family,” said Rick Nelson, Launch Consulting CEO. “Averro owner Rob Meredith built a great business and strong team. This addition will provide more resources and growth opportunities for our collective clients, employees and job candidates.”

Launch is headquartered in Roseville, CA, with offices in Bellevue, WA, Washington DC, and Hyderabad, India. The company employs over 350 people who specialize in all areas of technology-driven projects, from consulting and managed services to software development and support.
